Lunar Hawksbeard

This remedy can be used to heal the wounds that have occurred on the collective level of consciousness in previous incarnations. Whole communities or nations have greatly suffered at certain times and many souls reincarnate still bearing the wounds of a life that was injured through the suffering of the community or nation. Hawksbeard heals the wounding that has occurred when whole communities are subjected to suffering because of racial characteristics, religious practice, war, famine and many other reasons. Souls who in previous lives have become caught up in a major national disaster would benefit from this remedy.

Lunar Hawksbeard resonates particularly strongly with any of the trans-Saturn planets in the twelfth house.
